

## Beaverton School District Learning Option Schools Open House Schedule for the 2019-20 School Year

The Beaverton School District will begin accepting applications for Learning Options Schools for the 2019-20 school year on October 23, 2018. In order for you to determine if an option school would be best for your student, a series of open houses will be held at option schools. You are encouraged to attend these presentations with your student to gather information about the schools and programs. Applications will be accepted until 4:00 p.m. on December 7, 2018. Applications received after that will be considered on a space available basis.
